

Timeless tradition.
Modern wellness.

TYLÖ

At Tylö, the art of sauna is a fusion of tradition and forward-thinking design. With innovative collections and advanced technology, we create experiences that inspire wellness, recovery and elevate daily life.

Recovery & Vitality Reimagined

For 75 years, we've blended Scandinavian wellness traditions with modern innovation to support recovery, performance, and vitality. Whether you're relieving stress, boosting energy, or staying at your best, Tylö saunas are designed to keep you in the game.

Innovative Technology, Personalized For You

Our saunas are crafted with advanced infrared and rapid-heating systems—letting you control temperature, light therapy, and session duration. From recovery to relaxation, our intelligent design helps you optimize every session for balance and peak performance.

A Difference You Can Really Feel

Built on traditional Swedish craftsmanship, our saunas bring innovation and thoughtful design to your home. With handcrafted heaters, custom lighting, & traditional accessories, every session is rejuvenating and refreshing.
