

Admiral

The perfect combination of
strength and styling!

ATLANTIC[™]
ABOVE GROUND POOLS

Admiral

Silhouette wall with pearl frame

Top ledge and uprights

- 9" steel top ledge
- 8" steel uprights
- Sturdy steel frame

Gibraltar Buttress-Free system

- An exclusive buttress-free system.
- Maximizes yard space by eliminating unsightly struts.
- Oval pools only.

The **Gibraltar Buttress-Free** is an oval system that does not require angle side supports, which take up extra yard space. This unique system delivers unsurpassed structural strength without visible supports. This attractive streamlined appearance takes up less valuable yard space.

All-Weather Protection

The top ledges and uprights on every Atlantic pool undergo a state-of-the-art protective treatment process. In addition, they are coated with Texture-Kote. This combination provides incredibly long-lasting, all-weather protection with added resistance against corrosion, scratching and damaging UV rays. Atlantic's unique quadra-fold system and bolting pattern provides maximum wall joint strength.

NO DIVING. NO JUMPING. ABOVE GROUND POOLS ARE DESIGNED FOR SWIMMING ONLY. MAINTAIN CONSTANT VIGILANCE WHEN CHILDREN ARE IN OR AROUND THE POOL.

Your above ground pool is designed for years of pleasurable, safe family fun, but it also involves water safety. When used incorrectly, your swimming pool can be dangerous as these pools contain shallow water making diving or jumping unsafe. To insure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations. The dimensions, weights, illustrations and other specifications may not be exact as shown and are approximate. The company reserves the right to modify and/or discontinue without notification any feature in any pool model. ©Copyright 2015 B300-285A
